

TONHAUTE

SINCE 2013

SINCE 2013

Designing Spaces that Inspire

Ton Haute is an interior design studio founded in 2013, a real estate company that also owns Go live Dubai, a digital marketing company. We provide our services to a vast clientele in Bangalore.

Over the years, we have grown our knowledge, experience, and skill set. We not only help you build your dream home, but we also help you create memories that will last a lifetime. We have evolved into a passionate and energetic interior design studio with a commitment to bringing innovative ideas to life without flaws.

We understand that your dream home is your ultimate place of happiness and peace. That's why we come up with the most thoughtful designs and work for your spaces. Our main aim is to bring in innovative ideas and execute them without flaws.

OUR SERVICES

This category includes designing and decorating interiors of homes, apartments, condos, and other residential spaces.

COMMERCIAL DESIGN

This category includes designing and decorating interiors of businesses such as offices, retail stores, restaurants, and hotels.

SPACE PLANNING

This category involves creating floor plans and layouts for interior spaces, taking into consideration factors such as traffic flow, functionality, and aesthetics.

COLOR CONSULTATION

This category involves helping clients choose colors for their interior spaces that will complement their style and achieve their desired mood or atmosphere.

FURNITURE AND DECOR SELECTION

This category involves helping clients choose furniture and decor items that will fit their style and budget, as well as arranging and styling the items in the space.

OUR SERVICES

LIGHTING DESIGN

This category involves selecting and designing lighting fixtures and layouts that will enhance the ambiance and functionality of the space.

PLASTERING AND UPVC WORK

Plastering helps to provide a smooth and even surface for painting or wallpapering and also provides an additional layer of insulation.

CIVIL WORK LIKE FLOORING

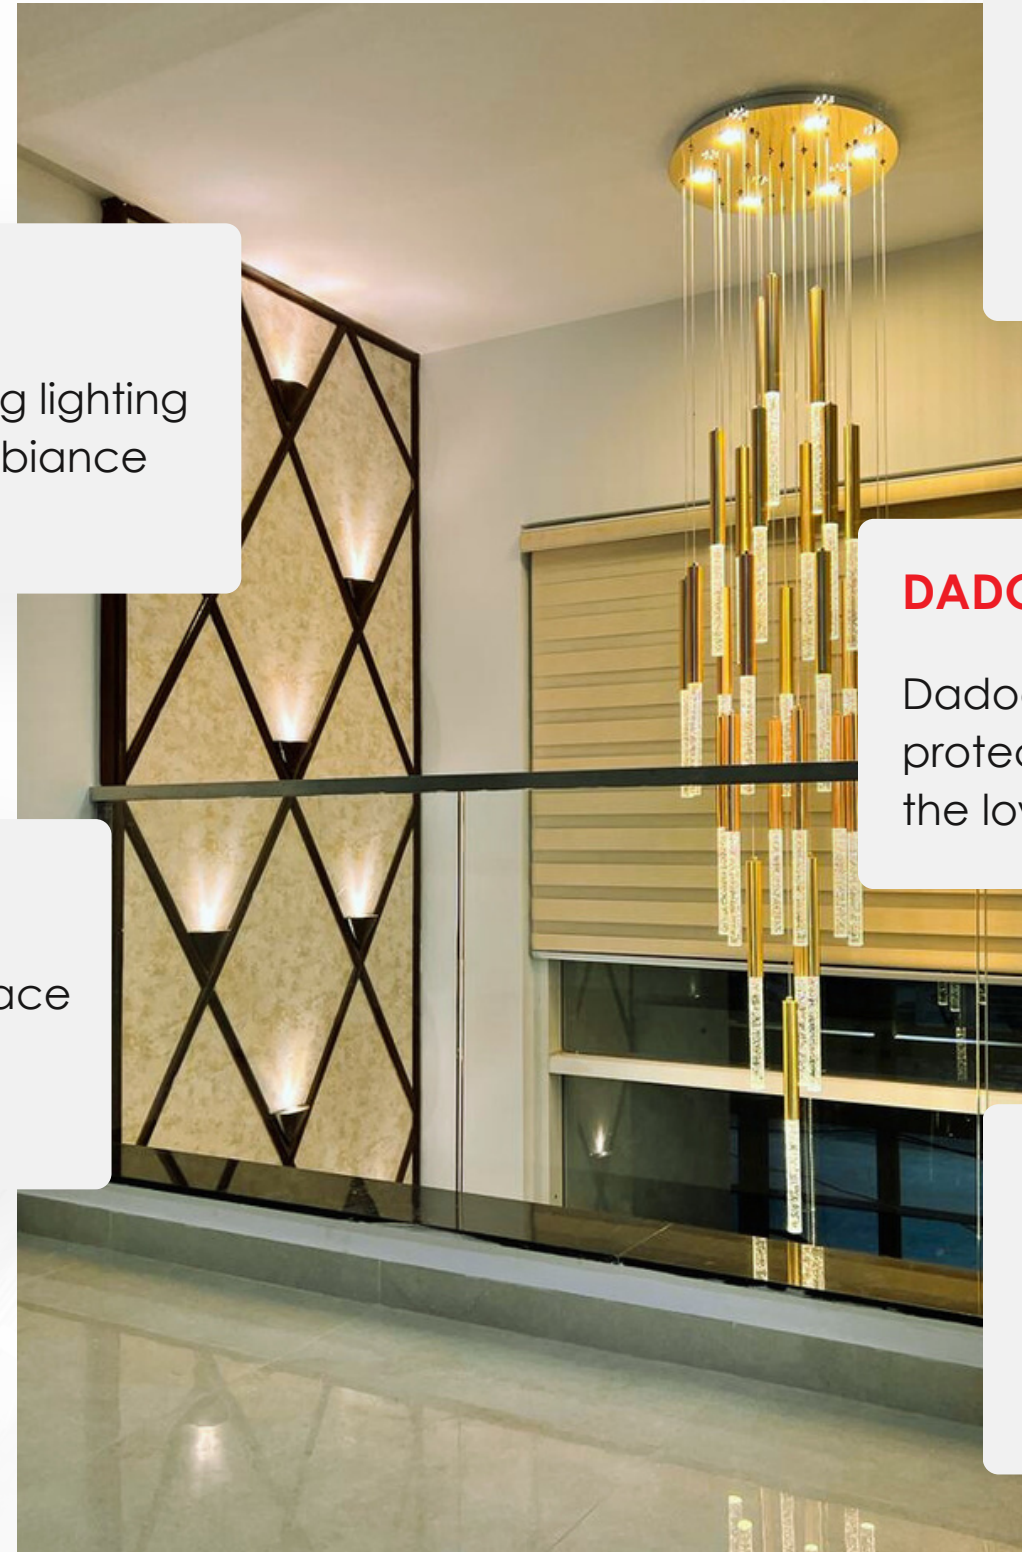

Civil work is a term used to describe a variety of construction activities that involve the use of concrete, bricks, and other materials to build structures.

DADOOING

Dadooing is the process of applying a decorative or protective layer of material, such as tiles or marble, to the lower portion of a wall.

PROJECT MANAGEMENT

This category involves overseeing the entire interior design project, from concept to completion, including managing budgets, timelines, and contractors.

Be faithful to your own taste,
because nothing you really like is
ever out of style.

OUR HAPPY FAMILIES

Titty Anu Tharakan

I have done my interior for one my houses in belandur. Gowdhaman and team approached us we liked their professional approach. Hence we decided to go ahead with them. We have a budget constraint and some hiccups but still his team delivered it on a said date. I recommend Ton haute team as a professional team with systematic execution. Good luck Ton haute.

Prabhakar

I have been referred by my friend (Sridhar) about Ton haute team. We decide fast our design since we are very clear in what we wanted. In the beginning when they said your house will be handed over in 7 days we thought its just marketing gimmick. We couldn't believe that they completed in 6th working day. Gowdhaman and team done a fabulous job. Kudoos to him and his team.
